Amend Org. Unit No. 4300 – House of Correction as follows:

**Strategic Implementation:**

This Division is responsible for the medical and mental health of the inmates at both the HOC and the County Jail.

~~In 2015, services continue to be provided are provided by contracting with Armor Correctional Services to provide inmate medical and mental health services. 91 positions are eliminated while overall expenditures decrease by approximately \$1.7 million while providing the same level of service.~~

It was ordered by a court that the County enter into a contract with Armor to provide inmate medical and mental health services in May 2013 in order for the County to fulfill the demands of the Christiansen Consent Decree. The model used in 2013 and 2014, which provided a mix of Armor and County staff to provide the necessary positions in inmate medical to comply with the Christensen Consent Decree, is being carried forward into 2015. The cost of the Armor contract is expected to rise while Personal Services costs will decline as Armor gains positions through attrition in the continuing years.

This amendment would increase the tax levy by \$949,372.
